

Justin Bieber - Heartbreaker

Tom: D

(com acordes na forma de Capotraste na 2ª casa)
 Girl you don't know how I feel (how I really feel)
 Since you been away, oh baby
 Any chance that you could take my call (take my call),
 If I dialled you today
 Girl you say that you don't wanna talk but it's cool
 I've been thinking about you all day long, hoping you pick up your phone
 And I know that I don't wanna lose your love, oh baby (oh baby) oh baby

[Chorus]

Oh girl I got a secret place that we can go
 'Cause girl I really wanna be alone
 And baby nobody else gotta know
 Just meet later on the low
 Don't tell me you're my heartbreaker
 'Cause girl my heart is breaking
 Don't tell me you're my heartbreaker
 'Cause girl my heart is breaking

[Verse II]

Girl you see me standing here
 Standing in the rain
 Any chance that you could stay right here
 And never go away
 Girl you say that you don't wanna talk but it's cool
 I've been thinking about you all day long, hoping you pick up your phone
 And I know that I don't wanna lose your love, oh baby (oh baby) oh baby

[Chorus]

Oh girl I got a secret place that we can go

'Cause girl I really wanna be alone
 And baby nobody else gotta know
 Just meet later on the low
 Don't tell me you're my heartbreaker
 'Cause girl my heart is breaking
 Don't tell me you're my heartbreaker
 'Cause girl my heart is breaking
 [Verse III]

So what I'm really trying to say is, and what I hope you understand
 Is despite of all the imperfections of who I am I still wanna be your man
 I know it hasn't been easy for us to talk with everyone being around but,
 This is, this is personal, this is for me and you
 And I want you to know that I still love you
 And I know the seasons may change
 But sometimes love goes from sunshine to rain
 But I'm under this umbrella and I'm calling your name
 And you know I don't wanna lose that

[Bridge]

{Pause}
 I still believe in us
 I still believe in love
 I still believe in us
 I hope you believe in us
 The way I believe in us you don't see,
 'Cause what you don't see, is when we don't speak
 I really don't sleep, I wanna talk to ya
 And if I had the world in my hands I'd give it all to ya
 I wanna know if you feeling the way that I'm feelin'
 I wanna know if you feeling the way that I, the way that I
 You told me to be careful with your heart, your heart
 You told me to be careful with your heart, your heart
 Be careful with your heart
