

# Justin Bieber - Heartbreaker

Tom: D

(com acordes na forma de Capostrate na 2ª casa )  
 Girl you don't know how I feel (how I really feel)  
 Since you been away, oh baby  
 Any chance that you could take my call (take my call),  
 If I dialled you today  
 Girl you say that you don't wanna talk but it's cool  
 I've been thinking about you all day long, hoping you pick up your phone  
 And I know that I don't wanna lose your love, oh baby (oh baby) oh baby

[Chorus]

Oh girl I got a secret place that we can go  
 'Cause girl I really wanna be alone  
 And baby nobody else gotta know  
 Just meet later on the low  
 Don't tell me you're my heartbreaker  
 'Cause girl my heart is breaking  
 Don't tell me you're my heartbreaker  
 'Cause girl my heart is breaking

[Verse II]

Girl you see me standing here  
 Standing in the rain  
 Any chance that you could stay right here  
 And never go away  
 Girl you say that you don't wanna talk but it's cool  
 I've been thinking about you all day long, hoping you pick up your phone  
 And I know that I don't wanna lose your love, oh baby (oh baby) oh baby

[Chorus]

Oh girl I got a secret place that we can go

'Cause girl I really wanna be alone  
 And baby nobody else gotta know  
 Just meet later on the low  
 Don't tell me you're my heartbreaker  
 'Cause girl my heart is breaking  
 Don't tell me you're my heartbreaker  
 'Cause girl my heart is breaking  
 [Verse III]

So what I'm really trying to say is, and what I hope you understand  
 Is despite of all the imperfections of who I am I still wanna be your man  
 I know it hasn't been easy for us to talk with everyone being around but,  
 This is, this is personal, this is for me and you  
 And I want you to know that I still love you  
 And I know the seasons may change  
 But sometimes love goes from sunshine to rain  
 But I'm under this umbrella and I'm calling your name  
 And you know I don't wanna lose that

[Bridge]

{Pause}  
 I still believe in us  
 I still believe in love  
 I still believe in us  
 I hope you believe in us  
 The way I believe in us you don't see,  
 'Cause what you don't see, is when we don't speak  
 I really don't sleep, I wanna talk to ya  
 And if I had the world in my hands I'd give it all to ya  
 I wanna know if you feeling the way that I'm feelin'  
 I wanna know if you feeling the way that I, the way that I  
 You told me to be careful with your heart, your heart  
 You told me to be careful with your heart, your heart  
 Be careful with your heart
