

# Justin Bieber - I Would

Tom: A

If I could take away the pain and put a smile on your face  
 Baby I would, baby I would

If I could make a better way, so you could see a better day  
 Baby I would, baby I would,

Baby do it to the sky and lend you the keys,

Let you know that you're always welcomed so that you never leave

Why you owe those fancy things that you only see on tv, yeah

Run away, to a hut away, we be living the american dream

And i, know it's never gonna be that easy

But I know that he want us to try

If I could take away the pain and put a smile on your face  
 Baby I would, baby I would

If I could make a better way, so you could see a better day  
 Baby I would, baby I would

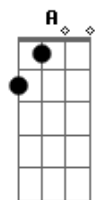

Wo-oh, wo-oh, wo-oh baby I would

2 part is THE SAME

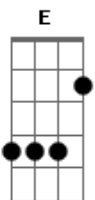

AT THE END OF THIS SONG THERE IS THIS SHORT PART:

"Yeah it's not about what I want  
 It's all about what you need  
 I know that it hurt you, but that wasnt me  
 And I know, and I know sometimes it's hard to see  
 That all we need to be"
