Hoping that somebody would slow down  
Praying for a miracle

Who'll show you grace?

With a long journey ahead

Seen a truck pull over  
Gbm  
God sent an angel to help you out

He gave you direction  
Showed you how to read a map

Oh, even in the midst of doubt

Relationship on a ski slope

Avalanche comin' down slow

Cause my heart is just that cold  
Skating on thin ice

But it's strong enough to hold us up

Seen her scream and holler  
Put us both on blast

Tearing each other down

When I thought it was over
