

Justin Bieber - Lonely

tom:

Intro: G Gbm Bm Bm

G Gbm
Everybody knows my name now

But something about it still feels strange
Like looking in the mirror trying to steady yourself
And seeing somebody else

G Gbm
And everything is not the same now

Feels like all the lives I've changed
Maybe when I'm older it'll all calm down
But it's killing me now

G A
What if you had it all

Gbm
But nobody to call?

Bm
Maybe then you'd know me

G A
'Cause I've had everything

Gbm
But no one's listening

Bm
And that's just fucking lonely

G A
I'm so lonely

Gbm B
Lonely

G Gbm
Everybody knows my past now

Like my house was always made of glass
And maybe that's the price you pay
For the money and fame
At an early age

G Gbm
And everybody saw me sick

And it felt like no one gave a shit
They criticize the things I did
As an idiot kid

G A
What if you had it all

Gbm
But nobody to call?

Bm
Maybe then you'd know me

G A
'Cause I've had everything

Gbm
But no one's listening

Bm
And that's just fucking lonely

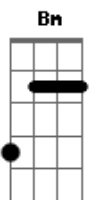

G A
I'm so lonely

Gbm B
Lonely

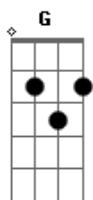

G A
I'm so lonely

Gbm B
Lonely
