

# Justin Bieber - Lonely

tom:

Intro: G Gbm Bm Bm

G Gbm  
Everybody knows my name now

But something about it still feels strange  
Like looking in the mirror trying to steady yourself  
And seeing somebody else

G Gbm  
And everything is not the same now

Feels like all the lives I've changed  
Maybe when I'm older it'll all calm down  
But it's killing me now

G A  
What if you had it all

But nobody to call?  
Maybe then you'd know me

G A  
'Cause I've had everything

But no one's listening  
And that's just fucking lonely

G A  
I'm so lonely  
Gbm B Lonely

G Gbm  
Everybody knows my past now

Like my house was always made of glass  
And maybe that's the price you pay  
For the money and fame  
At an early age

G Gbm  
And everybody saw me sick

And it felt like no one gave a shit  
They criticize the things I did  
As an idiot kid

G A  
What if you had it all

But nobody to call?  
Maybe then you'd know me

G A  
'Cause I've had everything

But no one's listening  
And that's just fucking lonely

G A  
I'm so lonely

Gbm B Lonely

G A  
I'm so lonely  
Gbm B Lonely
