

# Justin Bieber - Medley

Tom: Db

(com acordes na forma de Capotraste na 1ª casa C )

Oh oh oh oh Oh oh oh oh  
 Oh oh oh oh Oh oh oh oh

I always knew you were the best  
 The coolest girl I know  
 So prettier than all the rest  
 The star of my show  
 So many times I wished you'd be the one for me  
 I never knew you'd get like this girl what you do to me  
 You're who I'm thinking of,  
 Girl you aint my runner up  
 No matter what you're always number one

My prized possession  
 One and only  
 I adore ya  
 Girl I want ya  
 The one I can't live without that's you , that's you  
 You're my Precious  
 Little lady  
 The one that makes me crazy  
 Of all the girls I've ever known its you, its you  
 My favorite, my favorite, my favorite, my favorite girl, my favorite girl

( E A E A )

How many I told you's and start overs  
 And shoulders have you cried on before  
 How many promises be honest girl  
 How many tears you let hit the floor  
 How many bags you packed  
 Just to take 'em back, tell me that  
 How many either or but no more  
 If you let me inside of your world  
 There'd be the one less lonely girl  
 Ohh No  
 Saw so many pretty faces before I saw you, you  
 Now all I see is you  
 Ohh No

don't need these other pretty faces  
 'cause when you're mine, in the world  
 there's gonna be one less lonely girl  
 One less lonely girl  
 One less lonely girl  
 One less lonely girl  
 there's gonna be one less lonely girl  
 I'm gonna put you first  
 I'll show you what you're worth  
 If you let me inside your world  
 There's gonna be one less lonely girl  
 ( G C G C )

When I met you girl my heart went knock knock  
 Now them butterflies in my stomach wont stop stop  
 And even though its a struggle love is all we got  
 An we gon' keep keep climbin' till the mountain top

Your world is my world  
 And my fight is your fight  
 My breath is your breath  
 And your heart (and now I've got my)

And girl you're my one love  
 My one heart  
 My one life for sure  
 Lemme tell you one time  
 I'ma tell you one time  
 and I'ma Be your one guy  
 youd be my number 1 girl  
 always making time for you  
 let me tell you one time  
 ima tell you one time

My friends say I'm a fool to think that you're the one for me  
 I guess I'm just a sucker for love  
 'cause honestly the truth is that you know I'm never leaving  
 cause you're my angel sent from above

Baby, you could do no wrong  
 my money is yours, give you a little more because I love you,  
 love you
