

Justin Bieber - Peaches (feat. Daniel Caesar / Giveon)

tom:

Intro: F7M C Em7 Dm7 C7M

I got my peaches out in Georgia F7M
(oh, yeah, shit)

I get my weed from California Em7
(that's that shit)

I took my chick up to the North Dm7

Yeah (bad-ass bitch)

I get my light right from the source C7M

Yeah (yeah, that's it)

And I see you (oh) F7M

The way I breathe you in (in) Em7
It's the texture of your skin Dm7

I wanna wrap my arms around you
Baby Never let you go, oh C7M

And I say, oh F7M

There's nothing like your touch Em7
It's the way you lift me up Dm7

Yeah, and I'll be right here with you C7M

Till the end of time

I got my peaches out in Georgia F7M
(oh, yeah, shit)

I get my weed from California Em7
(that's that shit)

I took my chick up to the North Dm7

Yeah (bad-ass bitch)

I get my light right from the source C7M

Yeah (yeah, that's it) F7M

You ain't sure yet Em7
But I'm for ya Dm7

All I could want

All I could wish for C7M

Nights alone that we miss more F7M
And days we save as souvenirs Em7

There's no time Dm7

I wanna make more time

And give you my whole life C7M

I left my girl, I'm in my Yorker F7M Em7
Hate to leave her, call it torture Dm7 C7M

Remember when I couldn't hold her F7M Em7
Left the baggage for a mover Dm7 C7M

I got my peaches out in Georgia F7M
(oh, yeah, shit)

I get my weed from California Em7
(that's that shit)

I took my chick up to the North Dm7

Yeah (bad-ass bitch)

I get my light right from the source C7M

Yeah (yeah, that's it)

I get the feeling, so I'm sure Fm7
(sure)

Hand in my hand because I'm yours Em7
(I can't)

I can't pretend, I can't ignore Dm7

You're right for me

Don't think you wanna know just where C7M
I've been, ohh F7M

Done bein' distracted Em7

The one I need is right in my arms
Your kisses taste the sweetest Dm7

With mine

And I'll be right here with you C7M

Till the end of time

I got my peaches out in Georgia F7M
(oh, yeah, shit)

I get my weed from California Em7
(that's that shit)

I took my chick up to the North Dm7

Yeah (bad-ass bitch)

I get my light right from the source C7M

Yeah (yeah, that's it)
