Justin Bieber - Recovery

(com acordes na forma de **C**) Capostraste na 2ª casa First I'll acknowledge Our trust has been broken A successful recovery I pray for us at night Bless me with a second chance Never thought I'd see your face again Learned a lot through trial and error I try to make it right Strumming Make it right, make it right Make it right, It's time to do you right I'm missing your good intentions I'm missing you from a distance $% \left(1\right) =\left(1\right) \left(1\right)$ Hope you feel the same I know that I caused a problem I know that I left you livid, pushed you far away Learned it, don't pay to lie 'Cause I don't wanna see you cry Sayin' nothin' gets you nowhere fast I'mma hold it back inside Well now that I'm back around you Nothing else really matters

Hope you feel the same

Make it right, It's time to do you right
(Mesmos acordes a música inteira)

I'm going thorugh all the emotions Tryin' to find a reason Why we ended that way Nothing in life is perfect When you're changing like the seasons That's what they used to say

If it's gonna sleep alone at night I don't wanna close my eyes Wanna give you all I have to give I'm not holding back this time Now that I'm back around you Nothing around me matters Hope you feel the same

First I'll acknowledge
Our trust has been broken
A successful recovery
I pray for us at night
Bless me with a second chance
Never thought I'd see your face again
Learned a lot through trial and error
I try to make it right, make it right

Make it right, make it right It's time to do you right

You know I'mma do you right You know I'mma do you right I'mm do you right You know I'mma do you right
