

Justin Bieber - Stuck With U

```
Oh, oh, oh (ooh)
                            tom:
                Ah
                                                                             Cm
Intro: Ab Cm Db Eb
                                                                Got all this time in my hands
                                                                              Db
[Primeira Parte]
                                                                Might as well cancel our plans (yeah, yeah)
                                                                       Eb
                                                                I could stay here forever
I'm not one to stick around
                                                                [Refrão]
One strike and you're out,?baby
Don't?care if I?sound crazy
                                                                    Ab
                                                                So, lock the door and throw out the key
But you never let me?down, no, no
                                                                            Cm
                                                                Can't fight this no more, it's just you and me
That's why when the sun's up, I'm stayin'
Still layin' in your bed, sayin'
                                                                And there's nothin' I, nothin' I, I can do
                                                                   Fb
[Pré-Refrão]
                                                                I'm stuck with you, stuck with you, stuck with you
                                                                So, go ahead and drive me insane
Ooh, ooh, ooh, ooh
                                                                       Cm
                                                                Baby, run your mouth, I still wouldn't change
Got all this time on my hands
                                                                      Db
                                                                Being stuck with you, stuck with you, stuck with you
Might as well cancel our plans, yeah
                                                                   Eb
                                                                I'm stuck with you, stuck with you, stuck with you, baby
       Fb
I could stay here for a lifetime
                                                                [Ponte]
[Refrão]
                                                                Ah
    Ab
                                                                Woah
So, lock the door and throw out the key
                                                                Baby, come take all my time
Can't fight this no more, it's just you and me
                                                                Go on, make me lose my mind
           Db
And there's nothin' I, nothin' I, I can do
                                                                                        Fh
                                                                We got all that we need here tonight
    Fh
I'm stuck with you, stuck with you, stuck with you
                                                                [Refrão]
    Ab
So, go ahead and drive me insane
                                                                           Ah
     Cm
Baby, run your mouth, I still wouldn't change
                                                                I lock the door (lock the door) and throw out the key
Being stuck with you, stuck with you, stuck with you
                                                                Can't fight this no more (can't fight this no more), it's just
   Eb
                                                                you and me
                                                                            Πb
I'm stuck with you, stuck with you, stuck with you, baby
                                                                And there's nothin' I, nothin' I'd rather do
[Segunda Parte]
                                                                I'm stuck with you, stuck with you, stuck with you
                                                                   Ab
There's nowhere we need to be, no, no, no
                                                                So, go ahead and drive me insane
I'ma get to know you better
                                                                Baby, run your mouth, I still wouldn't change
Kinda hope we're here forever
                                                                All this lovin' you, hatin' you, wantin' you
      Db
There's nobody on these streets
                                                                   Fb
                                                                I'm stuck with you, stuck with you, stuck with
If you told me that the world's endin'
                                                                Ab Cm Db
Ain't no other way that I can spend it
                                                                You, oh, oh
[Pré-Refrão]
                                                                Stuck with you, stuck with you, stuck with you
