(com acordes na forma de Capotraste na 4ª casa C )  
 Verse 1: Justin Bieber

F G Am G  
 You are to me, a part of me like anatomy  
 F G Am G  
 You're pulling me, you're pulling me in like your gravity  
 F C G  
 Oh, I'm notorious for thinking you're fully beautiful instead of hollow  
 F C G  
 Sugar on your lips it's hard to kill, jagged like a pill that's hard to swallow

Chorus: Justin Bieber Halsey

F G  
 Am I in love with you? Am I in love with you?  
 Am Em  
 Or am I in love with the feeling?  
 F G  
 Trying to find the truth, trying to find the truth  
 Am Em  
 But sometimes the heart is deceiving  
 F G  
 Can't get out of my head and I need you to save me  
 Am Em  
 If I am delusional then maybe I'm crazy  
 F G  
 In love with you, am I in love with you?  
 Am Em  
 Or am I in love with the feeling?  
 ( F G Am Em )

Verse 2: Justin Bieber

F G Am G  
 You give to me, Everything, anything that I could dream  
 F G Am G  
 And at least that's what it seems, could it be I don't know what's good for me?  
 F C G  
 Oh, I'm notorious for thinking you're fully beautiful instead of hollow  
 F C G  
 Sugar on your lips it's hard to kill, jagged like a pill

that's hard to swallow

Chorus: Justin Bieber Halsey

F G  
 Am I in love with you? Am I in love with you?  
 Am Em  
 Or am I in love with the feeling?  
 F G  
 Trying to find the truth, trying to find the truth  
 Am Em  
 But sometimes the heart is deceiving  
 F G  
 Can't get out of my head and I need you to save me  
 Am Em  
 If I am delusional then maybe I'm crazy  
 F G  
 In love with you, am I in love with you?  
 Am Em  
 Or am I in love with the feeling?
