(com acordes na forma de  
Capotraste na 3ª casa  
Intro: G Em D C

Look at all the choices  
The choices in this world  
World spreading no freedom  
Freedom for the boys and girls

But the boys and girls they don't know  
What love is like  
Love is like appreciation  
Mixed in a double cup of Sprite

So can we go  
No left or right  
You go your way  
And I'll go mine

Cause this is my time  
And I won't waste it  
Thinking 'bout what you gotta say  
Cause I'll keep stayin'

Cause this is my time  
And I won't waste it  
Thinking 'bout what you gotta say  
Cause I'm here to stay  
Whoa oh, whoa oh, whoa oh, whoa oh, whoa oh

Look at all the places  
Places that I've been  
It doesn't come easy  
You gotta have strength

And when it goes down  
And it's all said and done  
You gotta stand up to 'em  
There's no need to run

And now that I've made it  
I won't look back, no  
Sacrificed what meant the most to me  
The most to me, Yes I did

Cause this is my time  
And I won't waste it  
Thinking 'bout what you gotta say  
Cause I'm here to stay  
Whoa oh, whoa oh, whoa oh, whoa oh, whoa oh

Look at all the people  
Standing outside  
So dedicated  
Your love doesn't go unrecognized  
Whoa oh, whoa oh, your love doesn't go unrecognized  
Oh oh oh ohoh oh
