

Justin LaPoint - Bear Country

tom:

Gb (forma dos acordes no tom de Eb)

Capostrate na 3ª casa

Am I'm closin' up shop, closing up my store
 Am I know this city, doesn't need me no more
 Am And I know it ain't no mystery
 Am I'm going on back to bear country

Am My back is broke, my head is numb
 Am This new generation's, makin' me feel old and dumb
 Am The road is dark, but I can see
 Am I know I'm getting close to bear country

Am The city was killin' me, now I know
 Am And it was hurting, it was taking it's toll
 Am Take my body, but it'll never take my soul

Am Take my body, but it'll never take my soul
 Am Take my body, but it'll never take my soul

Am And I will walk, 'til i've fallen to my knees
 Am Until my heart stops, until it starts to bleed
 Am My heart will always be in bear country
 Am My heart will always be in bear country

Am The city was killin' me, now I know
 Am And it was hurting, it was taking it's toll
 Am Take my body, but it'll never take my soul
 Am Take my body, but it'll never take my soul
 Am Take my body, but it'll never take my soul
