Parte 1:

Parte 1:

G Bm A Em
 Aren't you somethin' to admire, cause your shine is somethin'
 like a mirror

G Bm A Em
 And I can't help but notice, you reflect in this heart of mine
 If you ever feel alone and the glare makes me hard to find
 Just know that I'm always parallell on the other side

G Bm A Em
 Cause with your hand in my hand and a pocket full of soul
 I can tell you there's no place we couldn't go
 Just put your hand on the glass, I'm here tryin' to pull you
 through
 You just gotta be strong

Refrão:

G D A Em
 Cause I don't wanna lose you now
 I'm lookin' right at the other half of me
 The vacancy that sat in my heart
 is a space that now you hold
 Show me how to fight for now
 And I'll tell you baby, it was easy
 Comin' back into you once I figured it out
 You were right here all along

D A Em
 It's like you're my mirror
 (oh oh) My mirror staring back at me
 I couldn't get any bigger
 (oh oh) With anyone else beside of me
 And now it's clear as this promise
 That we're making two reflections into one
 Cause it's like you're my mirror
 (oh oh) My mirror staring back at me, staring back at me

repete parte 1

G Bm A Em
 Aren't you somethin' an original cause it doesn't seem merely
 assembled

Em G Bm A
 And I can't help but stare cause I see truth somewhere in your
 eyes

G Bm A Em
 ooh I can't ever change without you, you reflect me, I love
 that about you
 And if I could, I would look at us all the time

G Bm A Em
 Cause with your hand in my hand and a pocket full of soul
 I can tell you there's no place we couldn't go
 Just put your hand on the glass, I'm here tryin' to pull you
 through
 You just gotta be strong
