

# Justin Timberlake - Pair Of Wings

Tom: F

If I had a pair of wings  
 I'd pick you and fly you far away form here  
 And you'd put your worries upon my shoulders, my dear  
 Now I know I can't save you  
 From the troubles of the world  
 And this sounds like such a silly thing  
 But if I could fly you away  
 With a big old pair of wings  
 And if I had a pair of wings  
 I'd pick you and fly you far away form here  
 And we'd fly so high up in the sky Where the stars are so clear  
 And then I could save you  
 From the troubles of the world  
 And all you'd have to pack is your heart to bring  
 And there we are, you and me

Flying on a big ol' pair of wings

VERSE:

We keep getting older, the world keeps getting colder  
 Tell me when did we lose our way?  
 It's so hard not to lose your mind in such crazy days  
 And if I had one wish I know what I'd wish for  
 There's only one thing that'll do  
 I'll fly away on this pair of wings with you

CHORUS:

If I had a pair of wings  
 I'd scoop you up we'd fly away and disappear  
 And you could put your worries upon my shoulders, my dear  
 Now I know I can't save you  
 From the troubles of the world  
 I know this sounds like such a silly thing  
 But if I could I'd fly you away  
 On a big old pair of wings

## Acordes
