

# Justin Timberlake - Say Something

Tom: Eb

(com acordes na forma de C )

Capostrate na 3ª casa

Oh, yeah,  
alright.. ooh

Everyone knows

All about my direction

And in my heart somewhere

I wanna go there

But still I don't go there

Everybody says "say something"

Say something, say something

Let's say something, say something, say something..

I don't wanna get caught up in the rhythm of it

But I can't help myself, no, I can't help myself, no, no

Caught up in the rhythm of it

No I can't help myself, no I can't help myself, no, no

Caught up in the rhythm of it

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

Maybe I'm looking something that I can't have

Everyone knows all

About my transgressions

Still in my heart somewhere,

In melody and harmony  
For you and me, tonight (whoa)  
I hear them call my name

Everybody says "say something"

Say something, say something

Let's say something, say something, say something..

I don't wanna get caught up in the rhythm of it

But I can't help myself, no, I can't help myself, no, no

Caught up in the rhythm of it

No I can't help myself, no I can't help myself, no, no

Caught up in the rhythm of it

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

( Am C )

Sometimes the greatest the way to say something is to say nothing at all

Sometimes the greatest the way to say something is to say nothing at all

Sometimes the greatest the way to say something is to say nothing

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)

Maybe I'm looking something that I can't have (maybe I'm looking something that I can't have)
