

Justin Timberlake - Sin Fin (feat. Romeo Santos)

tom:

C

You already know this love

Is all yours, baby ,So take it

We've been here before, it's strong enough

To save us (ooh) oh, baby

Lo que tenga que hacer por nosotros

Haré lo que pidas

Dispuesto a humillarme, por ti

Toco fondo y mi vida (escucha)

[Pré-Refrão]

Can't avoid it

Can't escape my love 'cause it's yours

Even if you walk out the door, uh

It'll chase you, lover (a donde vayas)

Ni me queda sudor

Agotado, agitado, sin voz

Es la muestra que yo por tu amor

He luchado con vigor, oh-oh

[Refrão]

You already know this love is all yours

Baby ,So take it

We've been here before, it's strong enough

To save us (ooh)oh, baby

Dios me dio este corazón

Y su prioridad es latir por ti

If it takes my life, it's fine

I'll gladly go to war

Te vo'a seguir amando sin fin

(Am G C Dm)

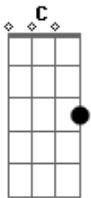

Oh, dance

(iWuh!)

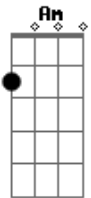

Oh, dance

Turn the lights off
