

C
 Is this the way it's really going down?
 Is this how we say goodbye?
C
 Should've known better when you came around
 That you were gonna make me cry
C
 It's breaking my heart to watch you run around
 (Now it's breaking my heart)
 'Cause I know that you're living a lie
C
 But that's ok, baby
 'Cause in time you will find
Am
 What goes around, goes around, goes around
 Comes all the way back around
 (what goes around comes around, baby)
Am
 What goes around, goes around, goes around
 Comes all the way back around
 (what goes around comes around, baby)
Am
 What goes around, goes around, goes around
 Comes all the way back around
Am
 What goes around, goes around, goes around
 Comes all the way back around
 Yeah
 You spend your nights alone

And he never comes home
 And everytime you call him,
 All you get a busy tone
 I heard you found out
 That he's doing to you
 What you did to me
 Ain't that the way it goes
 When you cheated, girl
 My heart bled, girl
 So keep going without saying
 That ya left me feeling hurt
 Just a classic case a scenario
 Tale as old as time
 Girl, you got what you deserved
 And now you want somebody
 To cure the lonely nights
 You wish you had somebody
 That could come and make it right
 But girl, I ain't somebody
 I'm out of sympathy
 See...

Em
 What goes around comes back around
 I thought I told ya, hey
Em
 What goes around comes back around
 I thought I told ya, hey
Em
 What goes around comes back around
 I thought I told ya, hey
Em
 What goes around comes back around
 I thought I told ya, hey
Em
 What goes around comes back around
 I thought I told ya, hey
