Hey Girl

Is he everything you wanted in a man?
 You know I gave you the world
 You had me in the palm of your hand
 So why your love went away
 I just can't seem to understand
 Thought it was me and you, baby
 Me and you until the end
 But I guess I was wrong

Don't wanna think about it(uh)
 Don't wanna talk about it(uh)
 I'm just so sick about it
 I can't believe it's ending this way
 Just so confused about it(uh)
 Feeling the blues about it(yeah)
 I just can't do without ya
 Tell me is this fate

Is the way it's really going down?
 Is this how we say goodbye?
 Shoulda known better when you came around
 That you were gonna make me cry
 It's breaking my heart to watch you run around
 Cause I know that you're living a lie
 But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way
 back around
 What goes around, goes around, goes around, comes all the way
 back around
 What goes around, goes around, goes around, comes all the way
 back around
 What goes around, goes around, goes around, comes all the way
 back around
 Yeah

Now Girl
 I remember everything that you claimed
 You said that you were moving on now(on now)
 Maybe I should do the same(maybe I should do the same)
 The funny thing about that is
 I was ready to give you my name
 Thought it was me and you baby(baby)
 And now, it's all just a shame
 That I guess I was wrong

Don't wanna think about it(no)
 Don't wanna talk about it(hm)
 I'm just so sick about it
 I can't believe it's ending this way
 Just so confused about it(uh)
 Feeling the blues about it(yeah)
 I just can't do without ya
 Can you tell me is this fate

Is the way it's really going down?
 Is this how we say goodbye?
 Shoulda known better when you came around
 That you were gonna make me cry
 Now it's breaking my heart to watch you run around
 Cause I know that you're living a lie
 But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way
 back around
 What goes around, goes around, goes around, comes all the way
 back around
 What goes around, goes around, goes around, comes all the way

back around
 What goes around, goes around, goes around, comes all the way
 back around
 Yeah

What goes around comes around
 Yeahhh
 What goes around comes around
 You should know that
 What goes around comes around
 Yeahhh
 What goes around comes around
 You should know that

Don't wanna think about it(no)
 Don't wanna talk about it(hm)
 I'm just so sick about it
 I can't believe it's ending this way
 Just so confused about it(uh)
 Feeling the blues about it(yeah)
 I just can't do without ya
 Tell me is this fate

Is the way it's really going down?
 Is this how we say goodbye?
 Shoulda known better when you came around(shoulda
 known better)
 That you were gonna make me cry
 It's breaking my heart to watch you run around(now
 it's breaking my heart)
 Cause I know that you're living a lie
 But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way
 back around
 (what goes around comes around, baby)
 What goes around, goes around, goes around, comes all the way
 back around
 (what goes around comes around, baby)
 What goes around, goes around, goes around, comes all the way

(C D Em)
 Yup
 Yup
 Yup(let me paint this picture for ya, baby)
 Yup

You spend your nights alone
 And he never comes home
 And everytime you call him, all you get is a busy tone
 I heard you found out
 That he's doing to you
 What you did to me
 Ain't that the way it goes
 When you cheated, girl
 My heart bled, girl
 So it go without saying that should let the feeling
 hurt
 Just a classic case scenario
 Tell is always time
 Girl, you got what you deserved
 And now you want somebody
 To cure the lonely nights
 You wish you had somebody
 That could come and make it right
 But girl, I ain't somebody
 I'm out of sympathy
 See..

What goes around comes back around
 I thought I told ya
 Hey(hey)
 What goes around comes back around
 I thought I told ya
 Hey(hey)
 What goes around comes back around

I thought I told ya
Hey(hey)
What goes around comes back around
I thought I told ya
Hey(hey)

Take it to em, J

Hey, hey, hey, hey(repeatedly till the end)

Haha
