Hey Girl

Is he everything you wanted in a man?  
 You know I gave you the world  
 You had me in the palm of your hand  
 So why your love went away  
 I just can't seem to understand  
 Thought it was me and you, baby  
 Me and you until the end  
 But I guess I was wrong

Don't wanna think about it(uh)  
 Don't wanna talk about it(uh)  
 I'm just so sick about it  
 I can't believe it's ending this way  
 Just so confused about it(uh)  
 Feeling the blues about it(yeah)  
 I just can't do without ya  
 Tell me is this fate

Is the way it's really going down?  
 Is this how we say goodbye?  
 Shoulda known better when you came around  
 That you were gonna make me cry  
 It's breaking my heart to watch you run around  
 Cause I know that you're living a lie  
 But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way  
 back around  
 What goes around, goes around, goes around, comes all the way  
 back around  
 What goes around, goes around, goes around, comes all the way  
 back around  
 What goes around, goes around, goes around, comes all the way  
 back around  
 Yeah

Now Girl  
 I remember everything that you claimed  
 You said that you were moving on now(on now)  
 Maybe I should do the same(maybe I should do the same)  
 The funny thing about that is  
 I was ready to give you my name  
 Thought it was me and you baby(baby)  
 And now, it's all just a shame  
 That I guess I was wrong

Don't wanna think about it(no)  
 Don't wanna talk about it(hm)  
 I'm just so sick about it  
 I can't believe it's ending this way  
 Just so confused about it(uh)  
 Feeling the blues about it(yeah)  
 I just can't do without ya  
 Can you tell me is this fate

Is the way it's really going down?  
 Is this how we say goodbye?  
 Shoulda known better when you came around  
 That you were gonna make me cry  
 Now it's breaking my heart to watch you run around  
 Cause I know that you're living a lie  
 But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way  
 back around  
 What goes around, goes around, goes around, comes all the way  
 back around  
 What goes around, goes around, goes around, comes all the way

back around  
 What goes around, goes around, goes around, comes all the way  
 back around  
 Yeah

What goes around comes around  
 Yeahhh  
 What goes around comes around  
 You should know that  
 What goes around comes around  
 Yeahhh  
 What goes around comes around  
 You should know that

Don't wanna think about it(no)  
 Don't wanna talk about it(hm)  
 I'm just so sick about it  
 I can't believe it's ending this way  
 Just so confused about it(uh)  
 Feeling the blues about it(yeah)  
 I just can't do without ya  
 Tell me is this fate

Is the way it's really going down?  
 Is this how we say goodbye?  
 Shoulda known better when you came around(shoulda  
 known better)  
 That you were gonna make me cry  
 It's breaking my heart to watch you run around(now  
 it's breaking my heart)  
 Cause I know that you're living a lie  
 But that's ok, baby, cause in time you will find

What goes around, goes around, goes around, comes all the way  
 back around  
 (what goes around comes around, baby)  
 What goes around, goes around, goes around, comes all the way  
 back around  
 (what goes around comes around, baby)  
 What goes around, goes around, goes around, comes all the way  
 back around  
 What goes around, goes around, goes around, comes all the way  
 back around  
 Yeah

(C D Em )  
 Yup  
 Yup  
 Yup(let me paint this picture for ya, baby)  
 Yup

You spend your nights alone  
 And he never comes home  
 And everytime you call him, all you get is a busy tone  
 I heard you found out  
 That he's doing to you  
 What you did to me  
 Ain't that the way it goes  
 When you cheated, girl  
 My heart bled, girl  
 So it go without saying that should let the feeling  
 hurt  
 Just a classic case scenario  
 Tell is always time  
 Girl, you got what you deserved  
 And now you want somebody  
 To cure the lonely nights  
 You wish you had somebody  
 That could come and make it right  
 But girl, I ain't somebody  
 I'm out of sympathy  
 See..

What goes around comes back around  
 I thought I told ya  
 Hey(hey)  
 What goes around comes back around  
 I thought I told ya  
 Hey(hey)  
 What goes around comes back around

I thought I told ya  
Hey(hey)  
What goes around comes back around  
I thought I told ya  
Hey(hey)

Take it to em, J

Hey, hey, hey, hey(repeatedly till the end)

Haha  
See  
You shoulda listened to me, baby  
Take it to em, J  
Because  
What goes around comes back around  
Hahahaha  
Ooh
