

# Justin Timberlake - What Goes Around(comes Around) Rock In Rio Version

Tom: G  
Intro: Am C G D  
Am C G D

Hey Girl,  
Is he everything you wanted in a man?  
You know I gave you the world  
You had me in the palm of your hand

So, why the love went away?  
I just can't seem to understand  
Thought it was me and you, baby  
Me and you until the end  
But I guess I was wrong

Don't wanna think about it(uh)  
Don't wanna talk about it(uh)  
I'm just so sick about it  
I can't believe it's ending this way  
Just so confused about it(uh)  
Feeling the blues about it(yeah)  
I just can't do without ya  
Tell me is this fair

Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
'Cause I know that you're living a lie  
But that's ok, baby  
'Cause in time you will find

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
Yeah

## Segunda Parte

Now Girl  
I remember everything that you claimed  
You said that you were moving on now(on now)  
Maybe I should do the same (maybe I should do the same)  
The funny thing about that is  
I was ready to give you my name  
Thought it was me and you baby(baby)  
And now, it's all just a shame  
That I guess I was wrong

Don't wanna think about it(no)  
Don't wanna talk about it(hum)  
I'm just so sick about it  
I can't believe it's ending this way  
Just so confused about it(uh)  
Feeling the blues about it(yeah)  
I just can't do without ya  
Can you tell me is this fair

What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
Yeah

What goes around, comes around  
Yeahhh  
What goes around, comes around  
You should know that  
What goes around, comes around  
Yeahhh

What goes around, comes around  
You should know that

Don't wanna think about it(no)  
Don't wanna talk about it(hm)  
I'm just so sick about it  
I can't believe it's ending this way  
Just so confused about it(uh)  
Feeling the blues about it(yeah)  
I just can't do without ya  
Tell me is this fair  
Is this the way it's really going down?  
Is this how we say goodbye?  
Should've known better when you came around  
(Shoulda known better)  
That you were gonna make me cry  
It's breaking my heart to watch you run around  
(Now it's breaking my heart)  
Cause I know that you're living a lie  
But that's ok, baby,  
Cause in time you will find

What goes around, goes around, goes around  
Comes all the way back around  
(what goes around comes around, baby)  
What goes around, goes around, goes around  
Comes all the way back around  
what goes around comes around, baby)  
What goes around, goes around, goes around  
Comes all the way back around  
What goes around, goes around, goes around  
Comes all the way back around  
Yeah

Yup - Yup  
Yup  
(let me paint this picture for you, baby)  
Yup

You spend your nights alone  
And he never comes home  
And everytime you call him,  
All you get a busy tone  
I heard you found out  
That he's doing to you  
What you did to me  
Ain't that the way it goes  
When you cheated, girl  
My heart bled, girl  
So keep going without saying  
That ya left me feeling hurt  
Just a classic case a scenario  
Tell is over  
Girl, you got what you deserved  
And now you want somebody  
To cure the lonely nights  
You wish you had somebody  
That could come and make it right  
But girl, I ain't somebody  
whit a lot of sympathy  
See...

What goes around comes back around  
I thought I told ya - Hey ...  
What goes around comes back around  
I thought I told ya - Hey ...  
What goes around comes back around  
I thought I told ya - Hey ...  
What goes around comes back around  
I thought I told ya - Hey

Take it to em, J

Hey

Haha  
See, you shoulda listened to me, baby  
Take it to em, J  
Because "What goes around comes back around"  
Hahahaha

Ooh!
