

# JVKE - I'm Not Okay

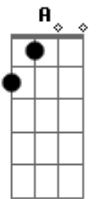

tom:  
 You can kiss my love goodbye  
 Your lipstick stains washed with tears I cry  
 For the first time in a while  
 I can see through the lies  
 Bringing secrets to light  
 How could I be so naive  
 To think I had you?  
 Maybe, I'm just dumb  
 I'm a fool, so naive  
 I guess I should've known  
 You don't love me, ooh  
 You don't love me

Maybe, I'm just dumb  
 Down bad  
 All my friends say you're the worst  
 Down bad  
 But I can't see it, vision blurred  
 I know I look kinda crazy, oh, yeah  
 But I'm feelin' good as of lately, oh, yeah  
 I let you live in my brain  
 'Cause I kinda like the pain  
 Breathe, breathe  
 I'm not okay  
 Yeah, I'm broken by you, oh  
 I'm not okay  
 That's A-OK with me
