

JVKE - I'm Not Okay

tom:
 E
 You can kiss my love goodbye
 A Dbm E
 Your lipstick stains washed with tears I cry
 A Dbm B
 For the first time in a while
 A E
 I can see through the lies
 Gbm
 Bringing secrets to light
 Dbm Gbm
 How could I be so naive
 A
 To think I had you?
 B E
 Maybe, I'm just dumb
 Dbm Gbm
 I'm a fool, so naive
 A B
 I guess I should've known
 E Dbm
 You don't love me, ooh
 Gbm
 You don't love me
 B E

Maybe, I'm just dumb
 E
 Down bad
 Dbm
 All my friends say you're the worst
 E
 Down bad
 Dbm
 But I can't see it, vision blurred
 Gbm B
 I know I look kinda crazy, oh, yeah
 A
 But I'm feelin' good as of lately, oh, yeah
 Ab
 I let you live in my brain
 Gbm
 'Cause I kinda like the pain
 B
 Breathe, breathe
 A
 I'm not okay
 Abm
 Yeah, I'm broken by you, oh
 A
 I'm not okay
 E
 That's A-OK with me
