

JVKE - This Is What Forever Feels Like

tom:
Abm
 Seventeen, I had my first heartbreak and it was terrible
B
 And I pray that it won't happen again, but then again, I hope it does
Dbm
 Because I wanna fall in love without the part where we give up
Gb
 I wonder if this still exists, I hope it does
Eb
 I wonder what it's like, how it feels to be loved by someone who
Abm
 Will never leave
Dbm
 I wanna know if you wanna be growing old with me
B
 Until we're seventy, dancing with me
Abm
Dbm
 Just passing the time with you right by my side
Gb
 Just stay with me, promise you'll never leave
Abm
Dbm
 I wanna love you for the rest of my life until we're seventy
