tom:

Intro: F C Dm Bb

[Primeira Parte]

F  
Should've went for coffee on that Saturday  
C  
You saw me  
Dm  
Should've picked my phone up every time you

Tried to call me but  
Bb  
I never thought it'd be so soon  
C  
I never thought that I would

Lose you 'Cause

[Pré-Refrão]

F  
It's not that complicated when you love  
C Dm  
Someone, you tell 'em that you do  
Don't waste a second or a breath, you don't  
Bb  
Know when you're gonna lose them

Now they're gone but you didn't make that  
Call

C  
And now you live with your regrets because

It's all your fault

[Refrão]

F  
So it breaks my heart that I let you leave  
Am Gm  
Hurts my head seein' memories of you

There ain't a thing I wouldn't do  
Bb C  
To get a moment back with you

Dm  
So it breaks my heart that I let you leave  
Am Gm  
Burn so hot, learnin' how to grieve for you

I should've let you know the truth  
Bb C  
'Cause when you love someone, you tell 'em

That you, you tell 'em that you do

( F C )
