

JVKE - Wonder If She Loves Me

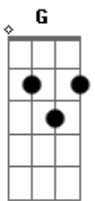

tom:
 (She loves me
 She loves me not
 She loves me
 She loves me not
 Oh, why do I overthink everything?)
 Wonder if she loves me, loves me not
 Overthinking us till after dark
 Baby, go ahead and break my heart
 And watch me fall apart
 Wonder if she loves me, loves me not
 Petals on a rose, our time is up
 Honestly, I hope it breaks your heart
 To watch me fall apart
 I've been stuck in my house for a week
 Tryna be strong, but these feelings got me weak
 I thought I had it in me not to check up on your profile
 But then I scrolled down
 That's when I saw that new boy all up in your comments
 Knew y'all were talking, I felt it in my stomach
 I guess I did it to myself, I'm so destructive
 My habits toxic, now I
 Wonder if she loves me, loves me not
 Overthinking us till after dark
 Baby, go ahead and break my heart

And watch me fall apart
 Wonder if she loves me, loves me not
 Petals on a rose, our time is up
 Honestly, I hope it breaks your heart
 To watch me fall apart
 Does she love me? Does she love me not?
 Does she love me? Does she love me not?
 Does she love me? Does she love me not?
 Oh, now watch me fall apart
 Does she love me? Does she love me not?
 I'm in my head, I'm overthinking everything we got
 I'm getting cynical with every thought
 Like, was it ever really real or were your fingers crossed?
 Now I wonder if she loves me, loves me not
 Petals on a rose, our time is up
 Honestly, I hope it breaks your heart
 To watch me fall apart
 Wonder if she loves me, loves me not (yeah)
 Overthinking us till after dark
 Baby, go ahead and break my heart
 And watch me fall apart
 Wonder if she loves me, loves me not
 Petals on a rose, our time is up
 Honestly, I hope it breaks your heart
 To watch me fall apart
