

# Kacey Musgraves - Golden Hour

tom:

Intro: Gbm Abm Gbm Abm

All that I know

Is you caught me at the right time

Keep me in your glow

'Cause I'm having such a good time

With you

Baby don't you know?

That you're my golden hour

The color of my sky

You've set my world on fire

And I know, I know everything's gonna be alright, hm

I used to get sad

And lonely when the sun went down

It's different now

'Cause I love the light that I've found

In you

Baby don't you know?

That you're my golden hour

The color of my sky

You've set my world on fire

And I know, I know everything's gonna be alright, yeah, yeah

You make the world look beautiful, oooh

I Thought I'd seen it all before

But looking through your eyes

It looks like paradise

[Solo]

You've set my world on fire

And I know, I know everything's gonna be alright

You're my golden hour

The color of my sky

You've set my world on fire, yeah

And I know, I know everything's gonna be alright

Yeah, I know, I know everything's gonna be alright

Golden hour, hm

## Acordes
