

Kacey Musgraves - Happy & Sad

tom:
Capostrate na 3ª casa
Bb (forma dos acordes no tom de G)

Gadd9 G C
It's not you, it's the glow of the party The way that you've
got me
Gadd9 G
lit up inside

C
It's the song that they're playin', the words that you're
sayin'

Bm
It's never felt so right

Em
And I'm the kind of person who starts getting kinda nervous
C C
When I'm having the time of my life

G Bm C
Is there a word for the way that I'm feeling tonight?

G
Happy and sad at the same time

Bm C
You got me smiling with tears in my eyes

I never felt so high

Em Am
No, I've never been this far off of the ground
Em D G C
And they say everything that goes up must come down

G C
But I don't wanna come down

Gadd9 G C
So is there a way to stop all this thinkin', just keep on
drinkin'?

Gadd9 G
'Cause I don't wanna wake up

C
When they're turnin' the lights on and it turns out the joke's
on me
