Bb (forma dos acordes no tom de **G**)

Gadd9 **G** **C**
 It's not you, it's the glow of the party The way that you've got me

 It's never felt so right

Em
 And I'm the kind of person who starts getting kinda nervous

 When I'm having the time of my life

 Is there a word for the way that I'm feeling tonight?
G
 Happy and sad at the same time

Bm **C**
 You got me smiling with tears in my eyes

I never felt so high
Em **Am**
 No, I've never been this far off of the ground
Em **D** **G** **C**
 And they say everything that goes up must come down
G **C**
 But I don't wanna come down

Gadd9 **G** **C**
 So is there a way to stop all this thinkin', just keep on drinkin'?

Gadd9 **G**
 'Cause I don't wanna wake up
C
 When they're turnin' the lights on and it turns out the joke's on me

'Cause it feels so right
Em
 And I'm the kind of person who starts getting kinda nervous
C **C**
 When I'm having the time of my life
