

# Kailasa Blues - I've Been Crying a River

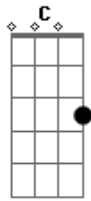

tom:  
 G  
 I've been crying a river  
 And all of them alone  
 C  
 I've been crying a river  
 G  
 Waiting your call on the phone  
 D  
 I've been crying day and night  
 G  
 Lost in pictures so bright  
 G  
 I've been crying a river  
 Searching the way to heal  
 C  
 Your love was my anchor

Now that's pain that I feel  
 D  
 The echoes of your laughter  
 G  
 Haunts me every day every night  
 G  
 I've been crying a river  
 To a love that slipped away  
 C  
 I've been crying a river  
 G  
 In this freaking endless way  
 D  
 Promises made were broken  
 C  
 I've been crying a river  
 G  
 Of tears
