

Kailasa Blues - I've Been Crying a River

tom:
 G
 I've been crying a river
 And all of them alone
 C
 I've been crying a river
 G
 Waiting your call on the phone
 D
 I've been crying day and night
 G
 Lost in pictures so bright
 G
 I've been crying a river
 Searching the way to heal
 C
 Your love was my anchor

Now that's pain that I feel
 D
 The echoes of your laughter
 G
 Haunts me every day every night
 G
 I've been crying a river
 To a love that slipped away
 C
 I've been crying a river
 G
 In this freaking endless way
 D
 Promises made were broken
 C
 I've been crying a river
 G
 Of tears
