

# Kailasa Blues - Lonely Sofa

Tom: E

Im laying down  
 In my homeplace  
 Just stering at the roof  
 The world is playing happy outside  
 And Im here,  
 So lonely and blue  
  
 Im in my sofa  
 And Im so lonely  
 Lonely and blue  
  
 Youre easy walking

In someplace outside  
 Running free, smiling and stuff  
 Drinking well in dates with good food  
 And Im just a old memory  
 For you  
  
 Im in my sofa  
 And Im so lonely  
 Lonely and blue  
  
 But I will stand up  
 To run for the streets  
 Screaming "OK Im lonely,  
 But if Im lonely I am free"
