

Kailasa Blues - Masks Of Flesh

Tom: C

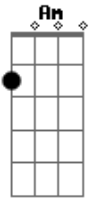

Am G
 Sometimes I got a feeling
 F
 That everything could be all right
 E
 But walking on the streets
 (Am G F E)
 You can see nothing is fine

Am G
 Regular faces for outside
 F
 But inside are they living
 E
 The life of their dreams?
 Or are they living
 (Am G F E)
 Their own hell?
 (Am G F E)
 Cause were in masks of flesh
