

# Kailasa Blues - My Sweet, Sweet Love

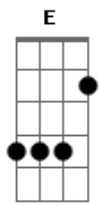

tom:  
E

My sweet, sweet love  
I want let you some news  
Not that bad, not that good  
I'll choose words  
To don't hurt you  
My sweet , sweet love  
There's rage, there's war  
In this middle  
There are us  
So, please, just let me  
Do my blues

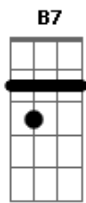

My sweet , sweet love  
You push me to do this tune

Push me more

Push me through  
But, please, just let me  
Do my blues  
My sweet , sweet love  
There's rage, there's war  
In this middle  
There are us  
So, please, just let me  
Do my blues  
My sweet , sweet love  
You push me to do this tune  
Push me more  
Push me through  
Lets run  
Just me and you
