

Kailasa Blues - Sparks Of Fight

Tom: F

(com acordes na forma de G)

Afinação: D G C F A D G

Everyday,everynight

I can see sparks of fight
And once again

Starts that game

Where scores are blood and body parts

And once again

I can not believe

What politicians can do

He take thatfreaking golden pen

And them

Thousands of life goes through

They are surrounded

By bullet proof windows

And beautiful chairs

"Please bring me one golden plate

Cause tonight for dinner we have

Babies heads"

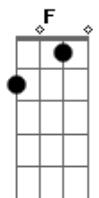

Everyday,everynight

I can see sparks of fight
And once again

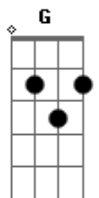

Starts that game

Where scores are blood and body parts
