

Kailasa Blues - The Land Would Dry

tom: G

I always pray for
 Sun shine entire day
 I always pray for
 Sun shine everyday
 I wanna see the sun
 I wanna see the sun
 I wanna see the sun
 Entire day

But if God hears me
 The land would dry, dry, dry
 And if mother nature hears me
 The land would
 Dry, dry, dry
 So, let's stop wailing
 Let's work and love more
 Or by the same way
 Our land
 Would dry, dry, dry
