

Kailasa Blues - When I Was a Boy

tom:

E

E

A B7

I was a boy and I remember very well

They told me boundaries are fine and thats OK

But world is ours and we should walk everywhere

E

Today we are prisoners in this game

That we play

B7

Cause world is insane

A

Crazy people is popping out

B7

And I cannot say where I am,

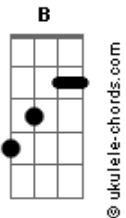

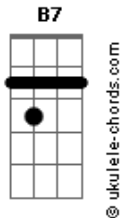

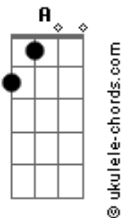

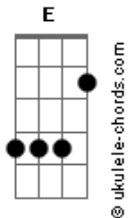

A

Please tell me where I am now

E

A B

Acordes

I was a boy and I remember very well

I was a boy and I remember very well

They told me God was watching everywhere

So I get scared when I was at my bath

Do lock the door does not work very well

Cause he got supervision

Know what everybody does

And Im just a kind of creep

That never know where goes

I was a boy and I remember very well
