A B7

I was a boy and I remember very well

They told me boundaries are fine and thats OK

But world is ours and we should walk everywhere

Today we are prisoners in this game

That we play

B7

Cause world is insane

A

Crazy people is popping out

B7

And I cannot say where I am,

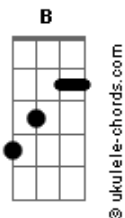

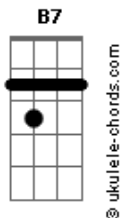

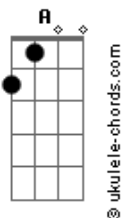

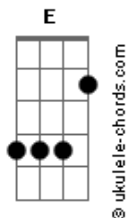

A

Please tell me where I am now

Acordes

I was a boy and I remember very well

I was a boy and I remember very well

They told me God was watching everywhere

So I get scared when I was at my bath

Do lock the door does not work very well

Cause he got supervision

Know what everybody does

And Im just a kind of creep

That never know where goes

I was a boy and I remember very well
