

# Kailasa Blues - You've Splitted My Heart In Two

Tom: G

<sup>G</sup>  
You've splitted my heart in two <sup>C G</sup>  
<sup>G</sup> <sup>D</sup>  
Now I live sad and blue  
<sup>D</sup>  
You don't want hear me no more  
<sup>G C G</sup>  
So, why I'm playing for?

<sup>G</sup> <sup>C G</sup>  
You've splitted my heart in two  
<sup>G</sup> <sup>D</sup>  
Now I'm just a empty soul  
<sup>D</sup>  
Walking around down the streets  
<sup>G C G</sup>  
Without know where to go

<sup>G</sup> <sup>C</sup>  
And so, yes, you were right!  
Cause I miss you  
<sup>G</sup>  
Day and night  
<sup>D C</sup>  
Today I will play my guitar  
<sup>G C G</sup>  
And my rifs will sound so hard

<sup>G</sup> <sup>C</sup>  
You've splitted my heart in two  
<sup>G</sup> <sup>D</sup>  
Now I'll have to put it together  
<sup>D</sup>  
If our case is now in the past  
<sup>G C G</sup>  
At next, I'll do better!
