

Kailasa Blues - You've Splitted My Heart In Two

Tom: G

^G
You've splitted my heart in two ^{C G}
^G ^D
Now I live sad and blue
^D
You don't want hear me no more
^{G C G}
So, why I'm playing for?

^G ^{C G}
You've splitted my heart in two
^G ^D
Now I'm just a empty soul
^D
Walking around down the streets
^{G C G}
Without know where to go

^G ^C
And so, yes, you were right!
Cause I miss you
^G
Day and night
^{D C}
Today I will play my guitar
^{G C G}
And my rifs will sound so hard

^G ^C
You've splitted my heart in two
^G ^D
Now I'll have to put it together
^D
If our case is now in the past
^{G C G}
At next, I'll do better!
