

Kailee Morgue - siren

Tom: G
Intro:

D
You'll be seeing me in your dreams
But I'll be there when your reality drowns **Am**

There's a bright side **Am**
To every wrong thing
If you're looking at me through the right eyes **F**
Darkness in my name
Don't you wanna come and play on the cool side? **D**
Don't be so shy
And there's a pleasure in hiding from the sun **Am**
No, I was never one for pretty weather **F**
I'd rather be creep, baby follow me into the water **D**
I'll take you to the darker

Am
This could be perfection

Or venom dripping in your mouth
F
Singing like a siren

Love me while your wrists are bound
D
You've been seeing me in your dreams
But I'll be there when your reality drowns **F**

Am
You can pretend
That when you hear my voice **F**

Darling, it's your choice not to fall in
But it's all an act, cause I know exactly what you wanting **D**
You know it's what I'm wanting
Am
Boy, I know what you desire

Oh, you're such a bad bad liar

Am
This could be perfection

Or venom dripping in your mouth
F
Singing like a siren

Love me while your wrists are bound
D
You've been seeing me in your dreams
But I'll be there when your reality drowns **F Am**
I'll be there when your reality drowns **F**
