Am I can use a better friend than the one I've got, my shadow  
Am Even when the Sun goes down, he will leave me by myself  
Am In the mornin' he returns, but he doesn't ever say much  
Am I don't wanna ride alone down this dark and lonesome road

Am 'Cause even cowboys can get lonely from time to time  
Am 'Cause even cowboys do get lonesome sometimes  
Am Yes, but I, I know one thing, I've come much too far  
Am Yeah, to let you go now, please, don't let me go  
C Lord, don't let me go

Am Share the silence with a fire, roll the rest of my tobacco  
Am Tellin' stories to myself, but I know them all too well (mm)  
Am When the desert night is cold, I just want someone to hold me close
