

Kali Uchis - After The Storm

Tom: A

Am
Ah
Bm
Whatever goes around
E
Eventually comes back to you
Am
So you gotta be careful, baby
And look both ways
Bm E7
Before you cross my mind

(Am Bm E7)
(Am Bm E7)

Am
Did you ever wonder?
Bm E7
Yeah, do you ever wonder
Am
What he might be going through on his own, and
Bm E7
The demons that he's facing alone
Am
I hate that sometimes I can't go home
Bm E7
And it just the same on the phone, no
Am Bm
But everybody's gotta go on, don't they?
E7
Yes, we do, baby

Am
So if you need a hero (if you need a hero)
Bm E7
Just look in the mirror (just look in the mirror)
Am
No one's gonna save you now
Bm E7
So you better save yourself
Am
And everybody's hurting
Bm E7
Everybody's going through it
Am
But you just can't give up now
Bm E7
'Cause you gotta save yourself
Yeah, gotta hang on baby?

Am
The sun'll come out
Bm E7 C
Nothing good ever comes easy
Am
I know times are rough
Bm
But winners don't quit
E7
So don't you give up
Am Bm
The sun'll come out
E7
But we've been struggling endless days
Am
Someday we'll find the love
Bm
'Cause after the storm's
E7
When the flowers bloom

Abm
Kali, what you mean?
Bbm
I take it offensive
Ebm
'Cause I'm the hottest flower boy
Db Abm
That popped up on the scene
B7 Bbm
Feeling better, better than ever
Db Eb
'Cause your umbrella, -brella (-brella, light)
Abm Bbm
Sun is beaming on me like headlights beaming on Bambi
Eb
Now let's pretend the street is the room
Db
And you are a Camry
Abm
'Cause your drama candid
The Tito to my Randy
Bbm
Now let's produce some thrillers
My chocolate wit' yo' vanilla, uh

Am
The sun'll come out
Bm E7 C
Nothing good ever comes easy
Am
I know times are rough
Bm
But winners don't quit
E7
So don't you give up
Am Bm
The sun'll come out
E7
But we've been struggling endless days
Am
Someday we'll find the love
Bm
'Cause after the storm's
E7
When the flowers bloom

Am D
I know it's hard
Am
But do you even really try?
D
Maybe you could understand
Am
When all you had to do was ask
D
And just open your mind
Am
When everything is passing by
E7 D
And all you had to do was try
Gbm Am
Yeah, all you had to do was try

[Outro: Bootsie Collins & Kali Uchis]
D
Try, try, try, try, try
Dbm
All you had to do was try
D A
Try, try, try, try

(Abm Bbm Eb Db)
(Abm B7 Bbm Eb)
(Abm B7)
