

# Kali Uchis - Loner

Tom: A  
Intro: A C(#5) E Gbm

I don't want to be your cigarette  
I don't want to be your ashtray  
I don't want to be your doormat  
'Don't want to be ignored  
All o' sudden you're not into me  
And maybe it's not deliberate  
And I know you never asked me  
I just gotta put it out there  
I don't put myself out there usually I stay tucked away  
Cause I was a loner until I met you  
And I let you in after all the persuasion  
Mind games, manipulations.  
That's why I'd rather be a loner  
Yeah I'd rather be alone  
I don't even want to know ya  
I don't want to be known  
Cause I'd rather be a loner  
I'd much rather be alone  
Baby it was nice to know ya  
Packing up and leaving home.

No I don't want to be your cigarette  
Use me up then toss me, step on me  
I don't want to be an option  
Avoidin' interactions cause I just wanna get away  
And maybe you got a full plate  
Know I'm cookin' something better  
but if you don't want me now  
boy then I don't want you later  
Don't try to come eat with me  
Cause I was a loner until I met you  
And I let you in after all the persuasion  
headaches and allegations.  
That's why I'd rather be a loner  
Yeah I'd rather be alone  
I don't even want to know ya  
I don't want to be known  
Cause I'd rather be a loner  
I'd much rather be alone  
Baby it was nice to know ya  
Packing up and leaving home.
