**Dbm**

I've been trying to find a way to say  
**Dbm** I've been lost and couldn't find my way  
**A Dbm A Dbm A**  
**B Dbm E B A**  
 Can't deny the truth  
 I was missing you

**Dbm A E B**  
 Now I found the melody I'm looking for  
**Dbm**  
 Won't turn back  
**A E B**  
 I feel the beat, I can't ignore

**Dbm A**  
 Now that you're here, I won't let you go  
**E**  
 And in this moment  
**B Dbm**  
 You have to know that tonight  
**A**  
 I love you more than anyone

**Dbm A E B**  
 Funny how life takes us different ways  
**Dbm A**  
 A thousand miles was never  
**E B**  
 Gonna keep me away from you

**Dbm**  
 So tell me how you're really feeling  
**A**  
 About us, feeling about us  
**E**  
 Tell how do we'd ever make it without us  
**B**  
 Make it without us

**Dbm A E B**  
 'Cause I found the melody I'm looking for  
**Dbm**  
 Won't turn back  
**A**  
 I feel the beat

**E B**  
 I can't ignore, can't ignore

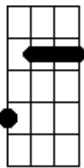

**Dbm A**  
 Now that you're here, I won't let you go  
**E**  
 And in this moment  
**B Dbm**  
 You have to know that tonight (that tonight)  
**A**  
 I love you more than anyone

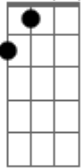

**Dbm A Dbm A**  
 Can't deny the truth  
**B Dbm E B A E**  
 All I need is you

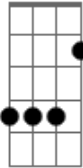

**Dbm A E B**  
 Now I found the melody I'm looking for  
**Dbm**  
 Won't turn back  
**A E B**  
 I feel the beat  
 I can't ignore, can't ignore

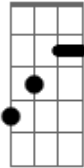

**Dbm A**  
 Now that you're here, I won't let you go  
**E**  
 And in this moment  
**B Dbm**  
 You have to know that tonight (that tonight)
