tom:

Dbm

I've been trying to find a way to say
Dbm I've been lost and couldn't find my way
A Dbm A Dbm A
B Dbm E B A
 Can't deny the truth
 I was missing you

Now I found the melody I'm looking for
Dbm
 Won't turn back
A E B
 I feel the beat, I can't ignore

Dbm
 Now that you're here, I won't let you go
E
 And in this moment
B Dbm
 You have to know that tonight
A
 I love you more than anyone

Dbm Funny how life takes us different ways
Dbm A thousand miles was never
E B
 Gonna keep me away from you

So tell me how you're really feeling
Dbm
 About us, feeling about us
A
 Tell how do we'd ever make it without us
E
 Make it without us

'Cause I found the melody I'm looking for
Dbm
 Won't turn back

 I feel the beat

I can't ignore, can't ignore
E B
 Now that you're here, I won't let you go
