

Kally's Mashup - Still

Tom: C

Outside my window ^C ^{E7}
 The world moves on without us ^{G7} ^{Gb}
 While my heart is standing still ^F ^B ^C
 If we are over ^C ^{E7}
 Then why do memories still ^{G7} ^{Gb}
 Play like a silent film? ^F ^B ^C
 You're still the one that moves me ^{Fm} ^C
^{Am} ^E

And makes my fingers play
 That fills my heart to say the words ^{Dbm} ^{Gb}
 That I did yesterday ^{Fm} ^G
 I still feel that way ^{Fm} ^G
 No, nothing's changed ^{Fm} ^G
 And I wish you felt the same way ^G
 Don't say it's too late ^C ^{E7}
 Or that my dream is crazy ^{G7} ^{Gb}
 'Cause inside I still believe ^F ^B ^C
 That you're still the one for me ^F ^B ^C
