

Kamelot - Under Grey Skies

Tom: Eb

(com acordes na forma de C)

Capostrate na 3ª casa

Intro: Am F Am G
Am F Am G Am

In the Am G
ruins of madness
A ghost of a chance
There is new hope reborn in every tragedy
And the world I see bears
A mys - te - ry waiting to be revealed

And don't you know
That every cloud has a silver lining

You may call me a dreamer
Call me a fool
Just a blue-eyed believer in you
In you

In the age of confusion
Tears, and despair
let me sell you a dream of prosperity
In this great illusion
Our humble intentions are well-concealed

'Cause don't you know
That every cloud has a silver lining

You may call me a dreamer

Call me a fool
Just a blue-eyed believer in you
But I'll die for that someone
In the blink of an eye
So tell me, please tell me
Just what kind of fool am I?
(Em G C B Em F B)

When I drown in my fears
In the dark - ness of sorrow
There's a promise of grace
Under silver grey skies
And I'm drying my tears
In the blaze of the sunlight
A rever - ie sealed with a kiss

And you may call me a dreamer
Call me a fool
Just a blue-eyed believer in you
But I'll die for that someone
In the blink of an eye
So tell me, please tell me
Just what kind of fool am I?

Call me a dreamer
Call me a fool
Just a blue-eyed believer of the colors in you
But I'll die for that someone
In the blink of an eye
So tell me, please tell me
Just what kind of fool am I?
