

# Kamelot - Wander

tom:

Eb

I recall one summer's night / With in the month of June

Flowers in mahogany hair / And smell of earth in bloom

Only such a melody / Comes without a sound

More than faintly heard by those / Who know what they have found

Now it's just a memory.

Silently we wander / Into this void of consequence

My shade will always haunt her / But she will be my guiding light

Silently we wander / In search of truth and confidence

So many hopes were lost here / Along the way

From morning to night

Meet me by the wishing well / In cover of the moon

Whisper to me tenderly / That I will see you soon

Sing that song from long ago / So I remember you

Flowers in mahogany hair / And mellow days in June

Only for the memory

Silently we wander...

From ashes we were born

In silence we unite  
Solo: tocar o refrão

Silently we wander / Into this void of consequence

My shade will always haunt her / But she will be my guiding light

Silently we wander / In search of truth and confidence

So many hopes were lost here / Along the way

From morning to ni...ght...

Silently we wander / Into this void of consequence

My shade will always haunt her / But she will be my guiding light

Silently we wander / In search of truth and confidence

So many hopes were lost here / Along the way...
