

Kamelot - Wander

tom:

Am

[Primeira Parte]

Am
I recall one summer's night
G Am
Within the month of June

Flowers in mahogany hair
G Am
And smell of earth in bloom

Only such a melody
F
Comes without a sound

More than faintly heard by those
F
Who know what they have found
G Am
Now it's just a memory

[Refrão]

Am F
Silently we wander
Dm G
Into this void of consequence
Am F
My shade will always haunt her
Dm F G
But she will be my guiding light
Am F
Silently we wander
Dm G
In search of truth and confidence
Am F
So many hopes were lost here
Dm
Along the way
F G Am
From morning to night

[Segunda Parte]

Meet me by the wishing well
G Am
In cover of the moon

Whisper to me tenderly
G Am
That I will see you soon
F

Sing that song from long ago

Dm Am
So I remember you

F
Flowers in mahogany hair
G Am

And mellow days in June

Am G F
Only for the memory

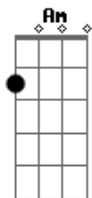

[Refrão]

Am F
Silently we wander
Dm G
Into this void of consequence
Am F
My shade will always haunt her
Dm F G
But she will be my guiding light
Am F
Silently we wander
Dm G
In search of truth and confidence
Am F
So many hopes were lost here
Dm
Along the way
F G Am
From morning to night
F G Dm
From ashes we were born
G Am
In silence we unite

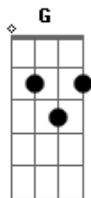

[Refrão Final]

Am F
Silently we wander
Dm G
Into this void of consequence
Am F
My shade will always haunt her
Dm F G
But she will be my guiding light
Am F
Silently we wander
Dm G
In search of truth and confidence
Am F
So many hopes were lost here
Dm
Along the way
F G
From morning to night
